## Camp Info and Policy:

### Online Registration:

We encourage utilizing our online camper registration system. This system assists our office in getting correct information about campers, and makes future camp registrations much less time consuming. You can register online by setting up a user account, entering your primary contact information, and registering your campers. Access this information at [www.sdsummercamp.com](http://www.sdsummercamp.com).

### Pre-Order Information:

It is essential that full payment is made at the time of application for any camp pre-order product (i.e. shirts, memories CD-ROM/DVD, etc.). If a camper has questions regarding what was pre-ordered, we will work diligently to resolve the issue quickly. Campers are encouraged not to wait if they have questions about their account.

### Accepted Payment Methods:

Depending on your churches preferences, you may be able to pay with a personal check. If you have registered online you will have the option of paying your campers fees in advance using any major credit card, check card, or PayPal account. This convenient service is provided through PayPal, however, a PayPal account is **not** required to utilize this service.

### Joining our Services Remotely:

Parents who have registered online and used the PayPal payment method are granted access to watch our evening services online. A link (**Camp Tube**) is provided in the main account page of the website that will become active during camp services. There is no additional charge for this service.

### E-mail your Camper:

Parents who utilize the online registration system at [www.sdsummercamp.com](http://www.sdsummercamp.com) will be provided with a link to send an email message to their camper. These messages will be printed and delivered during mail call. We are unable to deliver email messages to anyone other than your children.
