(circle one) **Camp:** Merge Middle Kids High

Please utilize the roommate request portion of the camper application to place your students in the rooms you wish them to be in. We will do our best to accommodate your requests, however we reserve the right to move people based on room and bed availability. Group leaders should inform their campers that we will do our best to accommodate their wishes.

Who should use this form? Any group bringing more than 6 campers of the same gender, or a group with specific rooming instructions.

This form is to be returned to the sd|yce office with the completed registration forms. By including this form you reduce the chance of disappointed campers and increase the speed by which your group will be processed.
